I did travel to a part of Owerri where I engaged a soul on Teach/Preaching work.

Dear brethren, Greetings,
We have the pleasure to share the present situation affecting our college with you. This is the problem of accommodation. We are occupying the Church hall. {1} The church hall is located in a swampy area and the whole

place is over flooded this time. Our lessons are affected. {2} This hall is not presentable and can not be approve by the Government during the inspection {3} The church and college are two different entities that can not be allowed by the Government even if it is convenience.

In view of these and other psychological effects, we have decided to rent a decent place even if it is small to relocate the Bible College to meet the international & Government standard in NIGERIA.

Please we need your prayers and your financial supports. Thank you.

Dear Bro. Rexroth & Saints,

Greetings to you with Sis. Rexroth including all our loving supporters in the WMF in the precious name of Jesus. Trust you have received the copy of our Camp Meeting Journal 2004 that remind you of your visit that is not in vain, but really help your Filipino brethren in the other side of the globe. It also encourage the member of your family absence to them you're used for the prosperity for the Lord's work.

Since our last hurrah we are busy in the Father's business preparing the new site of our Pastoral Training School in Ma-a Davao City. This week we're in Ma-a with 7 carpenters and Mason. The money you gave we used to start the project. Noemi also gave P55,000.00 (\$1,000.00) more from her Elementary School fund. Sis. Luzan also released P60,000.00. The work is still going on. In my evaluation **we need \$1,200.00 more to complete the dorm. We are praying that God will supply this need before the opening of the school last week of July.**

Before close my brother we need your intercessory prayer because our May Presidential election was already finished but there are unbelievable report that hinder the true winner. It is sad to note that the administration took advantage of the time to proclaim the true winner, though most people don't want her anymore and I am one of them. So

please pray for us. The prayer of the righteous availeth much.

REPORT FOR THE MONTH OF MAY

"Those who love him be like sun when it comes out in full strength"

Greetings in the matchless name of our Lord and savior Jesus Christ. We thank the Lord for his wonderful guidance and protection in the month of May at Tirupati Gospel services in Andhra Pradesh India. We are very happy to let you know that we have advanced monsoon this year and the weather is getting cool in the very hot summer. By all your prayers and the prayers of the saints, we have a Christian faith Governor at our State is being elected praise God. This is the right time in Andhra Pradesh to develop spiritual with the Gospel in this region. The Governor (Chief Minister) is also belongs to the same region.

The **First week** of the month of May - we have more rains. God Blessed our lands in this district. Even though we have rains. The Holy spirit strengthened us to work more burdenfully for the Gospel we are able to visit the branch Churches with the two wheeler along with my wife Linda. We have met the branch church pastors, elders - and their families and strengthened with the word of God. we had prayer fellowship - sharing our ministerial needs and developments.

In the **Second week** on Sunday after the church worship service and Sunday school after the lunch - our UCG team and Co-pastors traveled by a passenger train to *Chavatapallem* where we have started U.C.G. tribal community church in forest areas. This is 50 k.m. distance from my home. We have reached the village railway station in the evening. We went by walk the 5.k.m distance to reach the Chavatapallem tribal village.

Pastor yesupadam, his family and saints of the church happily received up. Evening service! started in the thatched shed temporary built with coconut leaves and with mud walls. This hut chapel accommodates nearly 30 people. In the worship meeting gathered more than 30 people. We started prayer with brother Azraiah. After singing Telugu songs with responsive reading pastor martin shared the word of God. After the message brother Joshua shared his witness. The Holy Spirit poured into their hearts and many people responsively received and prayed with tears. After the meeting pastor Martin and team pastors prayed for the sick people. Pastor Yesupadam arranged food for the night, slept on the floor but it is very remote area without power supply we are enable to sleep we spent more time in prayer. Pastor Yesupadam is a very poor man he has four children. He belongs to tribal community. He needs your prayers, blessings and support. If you help, he lives for the Lord and spend his life gratefully for the Lord.

In the **Third week** our Gospel team visited Charitable Hospital run by Hindu religion trust. Our Gospel team visited - T.B. Hospital and distributed few

gospel tracts and prayed the T.B. patients who are suffering with lung infection. My father is a retired Community Health Officer who is interested to visit the sick people and to preach the Gospel. After that we reach cancer ward and we put our hands to the wounds of the cancer and prayed for the un wounded ulcers and boils. A patient Vijaya Ratnam accepted the Lord Jesus tearfully and received prayers. After seeing the sick and infectious persons we returned home painfully and prayed in the presence of the Lord to heal all these sufferers. The Hospital is 7 km distance from my home. The end of the week we visited children prison along with Linda and the U.C.G. Team distributed sweets and fruits. The superintendent of prison also interested and impressed the truth of living God. Previously he refused to take pictures but the lord opened his heart to take pictures this time.

The **Final week** of the month after Sunday service we went to the P.K. Lay out branch Sunday service, which is 9 Kilometers, from my place. Our team reached this place by bus. P.K. Lay Out is in side the Tirupati city, which is center for Hindu high caste (Hindu Priests) families. There is a pastor appointed by our church by name Pastor Moses is a reborn Christian gifted by God who is the fruit of UCG Church. Later he, came forward and dedicated for the God's ministry. He is in charge pastor among the high caste Hindu families. We started new church service in the house of Moses. This is a rented house. Even though the rain disturbed us and the power failure, The Lord helped us to complete the service for the glory of God. Nearly 35 members heard the word of God. Pastor Martin spoke on **Jeremiah 33:3 "Call to me - I will answer you"**. In the New testament the lord answered his people who called for him like Mary and Martha for their brother Lazarus. So the Holy Spirit is moving very fast in the high caste stanch Hindu families and two families are coming forward and received Jesus as lord and savior and taken decision to take baptism we are going to arrange

baptism service. Please up hold in your prayers to all these services.

Your servant in the Lord,
K. Martin

[To WMF Info+ Editor:](#)

I and my wife Angel, and our daughter Roseline are very much grateful to the Father and

Mother WOOD, and Dr. Edward. N Beck, and Pastor. Glen Dryden, and Pastor. Willy cash who visited us and recommended us to the WMFUSA to accept us in to the family of the Church of God. And we are really praising the good Lord Jesus Christ whose love is shown towards our family in taking us as missionaries of the WMFUSA, and once again we express our gratitude to the WMFUSA, and the saints who recommended us to the Church of God USA

First of all let me introduce my self I was born and (on February 23rd 1961) brought up in a non Christian family, who were worshipping the idols, and I was under great darkness of sin, helping to a witchcraft man costing out evil spirits for money and my life was restless no peace of mind and no sleep in the nights all the nights roaming around and also I was street fighter and leading a group of people,

In 1980 I was invited by a friend to one day youth meeting on November 23rd 1980 there GOD touched me with gospel of salvation and at 5pm, I could feel GOD'S presence there I was convicted and I had accepted JESUS as my personal savior, and at the same moment the great light come from heaven to my heart and the darkness was gone away from my heart and I was lightened. The very next day I started to ask pardon from all the people with whom I had did wrong they were amazed when I return their things back.

In December 31ST 1980 I took baptism, And started to preach the gospel near by villages by taking 7 young people, in 1983 I joined with Indian Evangelical Mission to work as missionary 1983 to 1986 they helped me to do my B.Th. And in 1986. I married with Angel then we both did cross-cultural training for 4 months, then we worked for three years in a hill tribe people and in 1987 we got our only baby girl Roseline and now she is dong first year Inter. Then In 1989 we three landed on islands called Andaman and Nicobar Islands. They are about 1200 nautical miles from the Indian subcontinent. There we worked for 7 years among fisher folk God could use us to established two churches among Telugu speaking people.

Then for two years we worked among the orthodox, non-Christians who are the idol worshipers and where Mother Theresa worked.

About ministry.

The Lord had opened the door to start the ministry at Nellore; those people are having much interest to the Word of God, in the rural areas of the Nellore. First we started the work with the preaching of the Gospel and distributed the Gospel tracts to house to house. There was not even single Christian at that time we started to Evangelize. We had done hard work with on our foot and knees. The Lord started His work in their hearts; one by one gather and requested us to preach more about the Jesus Christ. After 4 months we could able to enter in their houses and started the cottage meetings, they also opened their houses with cheerful hearts. As work is going on recently 7 people came forward to take baptisms, and we started Sunday worship in a small hired hut.

The surrounding people started to join with us as the Lord blessed this work many people started to gather for Sunday & weekday meetings. Now we have a hunger need of a Church building. Now it became too difficult to conduct meetings, and we need to construct permanent Church building. And by the Gods grace a believer donated a land but we are able to rise the building about 6feet's, as months passing our financial status is not allowing us to go for it, and we are unable to complete the Church building for this hunger need we humbly request you to pray and support.

Thanking You,
Your servant in Christ,
Rev. M. PREMNATH. B.Th.

YOUTH CORNER

Well it is time to catch up on the corner. As I sit here typing, there is a song that I just can't get out of my head. And that song is . . . "Pomp and Circumstance" for those of you who do not know what that is, that is the song that is played during graduation. Yes, many of you have walked across the stage already and the rest of you dream of the day when you graduate from High School and some even from college. You know that is a great accomplishment. You have walked across one stage of life onto another. Our heavenly Father has designed this life to be a series of graduations. He wants us to first move across the stage of sin and death and into a victorious life in Him. It doesn't stop there; he also wants us to graduate from a spiritual baby into a mature adult. Many of you have become contented in the grade level of spirituality that you have attained. However God is calling you to walk across the stage and graduate to the next level.

Power Passage:
Proverbs 3:3-6 "3 Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart. 4 Then you will win favor and a good name in the sight of God and man. 5 Trust in the LORD with all your heart and lean not on your own understanding; 6 in all your ways acknowledge him, and he will make your paths straight." [1]

That is all for now, take care and don't hesitate when God calls you to graduate.

If your youth group is doing something cool this summer email and let me know. Also if you have some cool pictures send the to me as well.

Living God Loud,
