Isaiah 6:8 Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me.

There are such great needs in our time; a vision of the needs is required in order to say as Isaiah "Here am I; send me" Pray for that vision and see where the Lord can use you. Editor.

PHILIPPINES

May 22, 2006

Received June 5, 2006

Dear Saints of God,

Greetings from the Bible Holiness Church of God Philippine Mission to our loving supporters abroad in the precious Name of our Lord & saviour, Jesus Christ the author & finisher of our faith.

We humbly and prayerfully come to you with our heavy hearts due to the unsuspected happening to one of our Chapel & parsonage in Antipolo Rizal that was fully demolished by the provincial developer that need not to be included according to the Court of Appeal.

This property was funded by our late dear brother & Sister William Hines. Because of this happening the Pastor & congregation is appealing for your help so that they are able to build a Chapel & parsonage in a lot donated by one of the member there.

Saints of God let us open our heart for this immediate & urgent need. If you are led to help, please send your offerings to our national treasurer, Sister Juvy A. Luzan, Philippine Mission.

We are earnestly praying for any voluntary help and that is much appreciated. May the good Lord richly bless you for this urgent need.

Yours For His Cause

Bro. D. B. Luzan

Dear Bro. & Sis. Rexroth & Saints,

Greetings in Jesus Precious Name. We are so happy that we have a beautiful spring weather that God has given to us. Though we've encountered so many problems, trials & sicknesses after our National Camp Meeting that I was hospitalized 3 days. But thank God presently I am recovering by God's wonderful healing power. I was able to take the pulpit because Wesley with the

carpenters were in San Francisco, Agusan Sur building a new chapel.

Enclosed is a picture of our chapel & parsonage that was demolished by the developer in Manila. The pastor & congregation requesting to the National Office of helping them to build a temporary chapel & parsonage in a lot donated by one of the members there.

Last Sunday we have a meeting with the Board of Trustees in the mother church and we agreed together to send letters to all the coworkers in the Philippines requesting them to get special voluntary offering on June 4 to help our Brothers & Sisters in Antipolo Church of God.

Glad to inform & send the picture of our new chapel in San Francisco, Agusan Sur. Thank God for

After many years of waiting, the day is come very near to say warm and hearty welcome to our most beloved Father and Mother Jennings B and Gail Wood. The Lord is fulfilled our earnest plea about the coming of the great missionaries to India. We had the assurance God is with our noble missionaries. He wanted them to come to India.

29th Pastors meeting was started with prayers of Pastors about the 2nd missionary journey of Father Wood and 4th missionary journey of Mother Wood. The blessed opportunity for the saints and people in India. We strongly hope that the Lord our God will not keep His sheep lonely but send His great shepherds from America to India to feed and care His sheep.

Still many parts and hearts are

and service brought victory over the kingdom of evil.

Please do praying ministry or preaching ministry and paying ministry in India as India the very ancient land known for its centuries of false worship and many Gods religion badly needs a saviour Jesus. Through your publication I expressed our inner most hearty thanks for the Love, Sacrifice, expense, time and all the efforts to spread the truth in this Babel age. We can rightly and surely utilize of every help only in the proposed missions.

Being a humble servant of God as your servant and the fellowship Of the Church of God has been in the service of suffering multitudes and the disabled for the slogan of "self help ". As a result of our continuous struggle and your unfailure help we have been successful to place the church of God and Pastors in respectful position in the society. Your precious contribution would be very useful in all aspects. We are initiated every programme by your love, care and concern. We have only one life and only one mission "saving the perishing souls". Through your supporting help and prayers we have raised many parts and hearts for Jesus. Years of progressive in spiritual things and in ministry never deterioration in any aspect, we had the assurance in God that your prayers and help can support our humble service.

Fellowship of the church of God was established by few awakened, the noble missionaries Father and Mother Wood with a great vision on 17th May 2006 with the aim of strengthen the church of God and to plant a hedge around the Thirty years service by construct the church buildings and pastors appointments to all the churches. This is all possible only your prayers and supporting help. The Lord enabled us to built thirteen buildings and appointed Thirty pastors. According the vision of Mother Wood the Lord enabled us to construct the very big building at K, M, Nagar where we had already constructed Lt. Col. W. M. Webb mission house. The main aim of the new church building is to

the unity of all the coworkers in Agusan who help in the building erection.

Love & regards to all the members of WMF who are faithfully helping us in the Philippine Mission.

INDIA

June 16, 2006

Dear saints of the COMMUNITY CHURCH OF GOD AND W.M.F,

Precious greetings and hearty thanks for all your loving kindness towards Fellowship of the Church of God for the Mission of Saving Souls.

without True light and people are walking in the darkness and need to be lighten. India is the biggest and most successful democratic country. But dedication and devotion to duty has become a matter of the past in India. Only few of the pastors are dedicated their time and profits now. So still many people are sitting under the shadow of death. Our noble missionaries from USA could change the situation in some parts. When poverty, inequalities and annihilation of concentration of saving souls, through the vision their consecration planning

welcome and facilitate every high cast people in India. The building which is under construction is like a Cathedral model. We need to construct some more buildings in River villages and in main city Nellore and in other districts.

What ever we have done the most important thing is to be successful in all things which are given by the Lord to extend His Kingdom. As we are keep our concentration in the projects of Mission to make success in all, at the same time the Lord send a sermon which was rightly set for this situation "SEVEN PRINCIPLES OR KEYS TO SUCCESSFUL LIVING" by His appointed servant Father Wood. The message strengthened every Pastor to be successful in their ministry.

Thirty Pastors were attended to the conference and offered special prayers for the coming noble missionaries and for on going works and praised God for His benefits in the ministry. Pastors expressed hearty thanks to Father Wood for the "Successful Living" message. Your humble servant with thankful hearts, Bobby.

YOUTH CORNER

Just the other day I stumbled upon some old baby pictures of myself. I was looking at them and laughing at how funny I looked, and how not much has changed. As I thumbed through the pictures, memories just came flooding back to my mind. Some happy, and some sad, pictures of good times and even pictures of friends and family that were no longer around. As I strolled down this photographic memory lane I noticed something about myself in every picture. I realized that I always had my head tilted toward the sky, I was always looking up. I wondered why that was, then I remembered.

You see, when I was born my eyes were horribly crossed and the only way that I could focus on anything was to tilt my head up so that my eyes could get a clear picture. As I thought of that, I thought how true that was in my journey with God. Really we only get a

clear picture of life and His plan for us in it when we look up. Now I know what some of you are thinking, "I can't just walk around with my head in the air all the time I will fall and worse yet people will think I am arrogant." I am not talking about that, I am talking about looking to God for our strength and not putting our focus on this life. So many times I know that I look down at my situation and it doesn't make a whole lot of sense. It is only when I look to God that I get the clear picture.

Power Verses: Psalm 121:1-5
The Lord the keeper of Israel A Song of Ascents: "1. I will lift up my eyes to the mountains; From where shall my help come? 2. My help comes from the Lord, Who made heaven and earth. 3. He will not allow your foot to slip; He who keeps you will not slumber. 4. Behold, He who keeps Israel Will neither slumber nor sleep. 5. The Lord is your keeper; The Lord is your shade on your right hand."

That's it for this time, take care and remember to keep looking up!

FELLOWSHIP DAY REPORT

We were privileged to attend the Fellowship day at **Ebenezer Road Church of God**, Roxbury, PA on June 3. Bro. Joseph Luzier preached the morning message, "The Goodness of God" from Isaiah 63:1-9. He reminded us that the goodness of God sought you out of darkness & saved you. Taste and see how good God is. God knows where you are at. Life can be scary; we need to trust God. There is no real satisfaction in sin.

Bro. Timothy Bash preached the afternoon message, "How God Enlightens You" beginning with Genesis 1:3, 4:12-15. He told us that many are wandering through life not knowing where they are going. They

have no destination in view. We that are saved are sojourners journeying through life for a brief time; our destination is fixed and our mission clear.

CAMP MEETING REPORT

I was privileged to attend two days of **God's Acres Camp Meeting, Newark, OH** June 21-23. Bro. Esau Brooks was the evening evangelist. Wednesday evening's message was "Ambassadors For Christ" from 2 Corinthians 5:20-6:1. He told us that it hurts to see what the enemy is doing among the church. "The church is the greatest force upon the earth". We can do better. Are the forces of evil wearing out the saints? "We are getting too close to the world; we are losing our zeal & passion". Satan is working hard to destroy the church. These are troublesome times. "Have we received the grace of God in vain"?

Thursday morning, Bro. Calvin Foster preached "Becoming An Adult" beginning with 1 Corinthians 13:11. He reminded us that to be an adult is to be grown up with the ability to make mature decisions. Be an example; let God use you. Too many when blessed with material things forget God. God is not mocked; you will reap what you sow. Everyone is valuable to God. When you testify that you are a mature Christian, you can be sure that the world is going to watch you, how you live, how you conduct your life. Make good decisions; think before you act. Letting others make decisions for you is risky. A good decision is a well thought out decision.

Thursday evening Bro. Brooks preached on "I Saw Also The Lord" beginning with Isaiah 6:1. He told us that today many professing to be Christians have never seen the Lord. Have you seen the Lord? When you see the Lord you will be affected. You will never be the same again. You will see yourself as you really are. A vision of self leads to a vision of others.

Friday morning Bro. Alan Polston preached "Are You Filled?" beginning with Matthew 5:6. He

reminded us that there are times in life when mistakes are made. To take care of your soul is no mistake. God's Word can be trusted; it's a mistake to ignore it. By being obedient to God's Word you can be filled with righteousness. "God will not force you to serve Him." Do you hunger & thirst to be right?
